#### Re: Grandfathered Cable Packages

Dear Mr. Normand:

As part of our initiative to standardize programming packages, I am writing to inform you of changes Comcast will be making to grandfathered<sup>1</sup> former AT&T cable packages. These changes will effect a minimal number (less than 1%) of our customers.

Comcast is committed to offering the best value in home entertainment and providing a wide variety of programming choices to our customers. To help achieve that result, customers in these grandfathered packages will be transitioned to the corresponding Comcast package with the same price point as their grandfathered package.

We will be notifying each effected customer of the specific changes impacting their Comcast service by letter beginning March 22<sup>nd</sup> for changes which will occur beginning April 22<sup>nd</sup>. Customers will see additional channels such as BBC World, Centric, Cooking Channel, DIY (Do It Yourself), Ovation, Reelz, RLTV and more! TCM (Turner Classic Movies) is not available in their new package.

A toll free customer service number has been set up specifically for this initiative. Should residents contact you with questions please do not hesitate to direct them to this number, 1-888-267-0350, or they can visit us online at <a href="https://www.comcast.com">www.comcast.com</a>.

Should you have any questions about this initiative or about our services in general, please do not hesitate to contact me at 603-224-1871, ext. 202.

Sincerely,

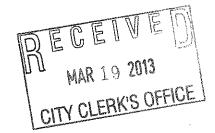

Bryan Christiansen

Sr. Manager Government & Regulatory Affairs

<sup>&</sup>lt;sup>1</sup> Grandfathered is a package that has not been offered for new subscription within the past several years.

Committee on Accounts, Enrollment and Revenue Administration C/o Matthew Normand, City Clerk
One City Hall Plaza
Manchester, NH 03101

Dear Honorable Committee Members,

Attached for your review is the City of Manchester's unaudited Monthly Financial Report for the first eight months of fiscal 2013.

#### Expenditures:

The average unobligated balance percentage after eight months should be 33.3% as a benchmark. All departments except Information Systems and Central Fleet Management are within 10% of this benchmark. The overall unobligated percentage after eight months is 33.39% for 2013 compared to 35.04% a year ago. Health insurance costs are tracking higher than the 2013 budget through February. The severance reserve of \$700,000 has been fully expended. A comparison of severance payouts thru February for FY 2013 and 2012 is as follows:

	<u>2013</u>	<u>2012</u>
Payments	\$1,102,984	\$ 311,169
Retirements		
Fire	12	7
Police	6	0
Highway	9	2
Other	9	3
Total	<u>36</u>	12

#### Revenues:

Revenues for the first eight months of fiscal 2013 are tracking lower than the same period a year ago. School charge backs are lagging behind by \$458,000 from last year due to timing differences and the deferral of the \$432,000 book loan payment in FY2013. In fiscal 2012 the full year recycling revenue of \$230,000 was billed and recognized in July. In fiscal 2013 the revenue is billed and recognized on a monthly basis for a comparable annual amount. Auto registrations are \$192,000 higher than last year and are tracking to the full year budget.

Sincerely,

William E. Sanders Finance Officer

Hi Peter:

Thanks for the update.

Also here is my offer, more for my purposes to track in writing.

- 2. Failing acceptance of #2. My client seeks to pay "interest only" payments of \$125.00 per month, with all payments going towards principal. The city will agree to subordinate its lien so Ms. Levesque may re-finance.

Thanks so much for meeting with me to discuss the outstanding balance that I have with the economic development of Manchester. My meeting with Jay before he left was to try and come to some number that I could afford because of my inablilty to meet the payments anymore. You have received my letter on what has happened over the past year so will not try to explain that again. We had come up with a figure of two hundred a month on the remaining balance with no interest accrued. I am paying two hundred by the 15th of every month for the next six months and in September I will plan on meeting with the board again and see if my business has increased so that I may pay more on this note.

Thank you Mary Selvoski Mary's Closet 21 W. Auburn St. Manchester N.H. 03101

Subject: RE: Aviation Plan

Hi Sharon:

Thank you for your patience with this plan.

Attached is the Aviation detailed cash flow for the Fiscal Year Ended September 30, 2013. The highlights are as follows:

UT R -2

- 1. Aviation's backlog includes four significant Department of Defense (DOD contracts).
- -2. This cash flow permits payment to the City of \$5,600 on March 22<sup>nd</sup>, \$8,400 on June 30<sup>th</sup>, and \$8,400 on September 30<sup>th</sup>.
  - 3. TD Bank, the SBA, the City of Manchester, and all suppliers are working with Aviation on this turnaround.
  - 4. Four people are being hired, this will bring the total to five hires; consistent with the original Loan application.
  - 5. Aviation continues to look for a banking or non-banking facility that will accommodate the SBA 90% guaranteed contract loan program; an SBA direct program would be great, but it is not available.
  - 6. Aviation has been successful in negotiating two milestone payment DOD contract which literally saved the company.

Please call or Email John, Tony, or myself with any specific questions on this plan.

Sincerely,

Dan Toland Toland Associates Cell 603-860-9142

To: Mathew Normand, City Clerk, Manchester, NH

On May 26, 2013, the New Hampshire Fisher Cats and Clear Channel Radio would like to host the event called "Sky Show" in the parking tot location of Arms Park in downtown Manchester.

The Fisher Cats and Clear Channel Radio have invited the Manchester Community
Health Center to participate in Sky Show. The organization's Rubber Duck Races on the
Merrimack will be hosted throughout the Sky Show to raise needed funds and awareness
in support of the Manchester Community Health Center.

The event features multiple musical acts and bands playing throughout the day on a stage of the southern end of Arms Park. We will also host a variety of vendors who will be solling their food and/or products during the event. At the conclusion of the musical acts, a fireworks show will be displayed from the Bridge Street bridge.

This is a ticketed event with exterior fencing around the entire park to prohibit re-entry into the venue.

With the approval of the Planning & Community Development Department, City Health Department, Police and Fire Departments, and Parks & Recreation and Highway Departments, we feel this family-friendly event will help the community and provide a boost to local businesses. Therefore, we would like to request a Waiver of Fees.

Sincerely,

New Hampshire Fisher Cats & Clear Channel Radio

Mr. Jeff Bolduc Office of the City Clerk Business Licensing & Enforcement Division One City Plaza Manchester NH 03101

Dear Jeff,

Attached is the copy of the letter sent to the Committee on Business License for Nonprofit Functions.

I have spoken with the Fisher Cats staff member, Jenna Raizes, who has assured me the Memorial Day Family Event will go on as a part of the Skyshow being planned by the Fisher Cats and Miller Lite organizations.

Therefore, as long as the Aldermen approve the Skyshow to be a family event in Arms Park on May 26<sup>th</sup>, I would like to cancel the enclosed request in order for the Fisher Cats organization to obtain permission to use the Arms Park location.

We are intending to have three rubber duck heats on the Merrimack River during the hours of 1:00 until dark before the fireworks begin.

The banner was so successful over Elm Street last year that I may want to apply for that license again this year, depending upon the advertising of the Skyshow itself.

I have an approval letter from the Marine Patrol for use of the Merrimack River.

Please let me know if there are any other arrangements that need to be made between the Manchester Community Health Center and the City of Manchester.

Looking forward to hearing from you.

September 26, 2012

Dear Committee on Business License for Nonprofit Functions,

The Manchester Community Health Center is again seeking permission to use the Arms Park area and Parking facilities along the University of New Hampshire River Walk area for a 2013 Manchester Community Memorial Day Event taking place on Sunday, May 26, 2013 from 2:00 until 7:00 pm.

We have spoken with Rick Brenner of the Fish Cats organization and are discussing the possibility of combining the Lite Show with our Event. The objective is to ensure this is a family event (as experienced last year) and will concentrate more heavily upon the children's activities in that these were the most popular activities.

My Director of Advancement, Becky Vinson, has met with the owners of the two restaurants which displayed apprehension with activities last year. Both Jeff Paige at Cotton's Restaurant and Peter Telge at Milly's Tavern have unequivocally stated the Manchester Community Health Center's event was no problem and they would endorse our being at Arms Park for another Memorial Day event.

Since a long lead time is required to schedule the military portion of this event, I am requesting you expedite this application with whatever contingencies you would desire. I have enclosed the successes enjoyed from last year's event and am hopeful this year will be even better.

Please let me know if you need additional information or would like to meet.

I look forward to hearing from you. Thank you for your consideration.

Most sincerely,

President/CEO

Police Department

Matthew Normand City Clerk One City Hall Plaza Manchester, NH 03103 January 31, 2013

Matt-

Below you will find a revised version of the Towing Ordinance. The changes, indicated in red, reflect those increases approved by the Committee on Administration/Information Systems. In stating their approval the committee authorized increases in fees, as "recommended by the Police Department," with the approval of the City Solicitor. The Police Department had recommended to the committee that the regular tow fee be increased to \$110 per tow and that additional fees, stipulated in the current contract, be similarly adjusted to be more competitive with surrounding communities. The amended fees below reflect those changes to the ordinance, which in effect represent the "more competitive" fees mentioned in the Police Department's original recommendation(s). At this time I am requesting that the revised ordinance be brought before the Mayor and Board of Alderman for final approval.

#### § 70.40 TOWING.

- (A) (1) Any company or person which tows a motor vehicle without the consent or authorization of the owner or operator of the motor vehicle shall not charge a towing fee in excess of \$70-\$110 during regular business hours. The fee for a tow conducted at a time other than regular business hours shall be \$85-\$125. For purposes of this section, **REGULAR BUSINESS HOURS** shall mean, at a minimum, the hours from 8:00 a.m. to 5:00 p.m., Monday through Friday, holidays excepted, as well as any other posted business hours. The company or person shall post the business hours of its storage lot and shall disclose such information upon request of the owner or operator of a motor vehicle.
- (2) Any company or person which tows a motor vehicle without the consent or authorization of the owner or operator of the motor vehicle shall not charge a fee in excess of \$25 \$30 per day for storing the towed motor vehicle. There shall be no storage fee for the first 24 hours after a motor vehicle is towed.
- (B) No company or person shall charge any fee other than a towing fee or storage fee, as

1 REDITAL

provided for in § 70.40 (A), for a motor vehicle which has been towed without the consent or authorization of the owner or operator; except a company or person may charge a service fee of up to \$25 \$40 to release a motor vehicle from a storage lot to its owner or operator at a time other than regular business hours. In the event a service fee is charged, the company or person shall have the owner or operator sign an acknowledgment upon the release of the motor vehicle. The acknowledgment shall specify the date and time the vehicle was released, the location of the storage lot, and the amount of the service fee charged. No "hoisting", "letdown", "standby" or "gate" fee shall be charged.

(C) Any company or person which has towed a motor vehicle without the consent of the owner or operator shall release to the owner or operator any and all property contained within or on such vehicle, but not attached to the vehicle, upon request by the owner or operator of the vehicle without requiring the payment of any fee therefore including the towing fee and the storage fee provided for in § 70.40 (A).

(Ord. passed 11-19-96; Am. Ord. passed 4-6-99; Am. Ord. passed 9-4-02; Am. Ord. passed 10-4-05)

Mayor Ted Gatsas and Aldermen City of Manchester One City Hall Plaza Manchester, NH 03101

Dear Mayor Gatsas and Aldermen:

On behalf of the Greater Manchester Chamber of Commerce, thank you for your support during a recent visit of business leaders from Manchester, United Kingdom. The Chamber hosted this UK delegation to advance establishing a sister city relationship with Manchester, UK. During the visit we were able to introduce members of the delegation to the mayor, several aldermen, and numerous Manchester business leaders, with whom we exchanged conversation on many historical, economic and social matters.

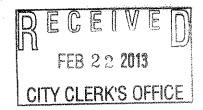

As a result of the press generated from the Manchester, UK, visit, a member of the community informed me that the Queen City received a delegation of Manchester, UK, visitors, including the Mayor of that city, in 1931. During that visit, the Manchester, UK, delegation gave the Mayor of our city a plaque of the British city's emblem carved on a beautiful piece of 500 year old English oak. I have since learned that the plaque hung in the Mayor's office until the refurbishment of City Hall, when it was placed in the City vault, where I'm told it remains. Given the renewed ties between our two cities, I wonder if you would consider removing the plaque from the vault and hanging it in a prominent location in City Hall. If this is not feasible, we would be proud to hang the plaque here at the Chamber. Displaying this unique gift from Manchester, UK, would be a terrific show of support of the importance of the relationship between our two cities that may generate further conversation and communication about our shared history, as well as the value of contemporary interests between the two cities of Manchester.

I look forward to your response. Please let me know if you would like to discuss this request further.

Thank you again for your support of establishing a sister city relationship between Manchester, NH, and Manchester, UK.

Sincerely,

Robin A. Comstock.

Clerk of Committee

Dear Committee,

My name is Normand Lavigne. I am a member of the Manchester Rotary and director of the Manchester Rotary Cruising Downtown Car Show event. This is the 13<sup>th</sup> year of an event that blocks off a portion of Elm St and some of its connecting side streets to raise money for local community charities and children sponsorships/camperships. This year I would like to have a \$5 charge for admissions to our event with children under 12 for free. I had spoken to Mayor Gatsas last week and he said he did not know of any ordinance that would prevent me from charging for admissions. We would handle this issue the same way that the Hampton Chamber of Commerce runs their Seafood Festival in September. We would man all the access points to our event to collect our fees. We can also provide wrist bands for all employees of all the local downtown merchants. Even though we are asking for a \$5 admission fee, we will not force anyone to pay, which is the same mind set that the Seafood Festival has. They figure that a little less than 50% actually pay to get in but without this fee they could not put on their event.

Thank you for your help in this matter,

Normand Lavigne

RE: PETITION FOR RELEASE AND DISCHARGE OF A PORTION OF HAYWARD NORTH BACK STREET

Dear Committee Members,

We have reviewed the referenced item and have found the following:

- o Hayward North Back Street was originally dedicated as an unnamed alley on plan entitled "Land of Jennie F. Dickey and Phronie A. Woodman" dated July, 1910.
- No acceptance of dedication or return of layout for the street was found in the records of the City Clerk.
- o No records of sewer or drain pipes being in the street were found.
- The Highway Department does not maintain this area as a public street.
- o Because the dedication predates 1913 a road hearing is needed.
- The Highway Department supports the release and discharge of Hayward North Back Street.

RE:

PETITION FOR RELEASE AND DISCHARGE OF A PORTION OF HAYWARD

NORTH BACK STREET

Dear Mayor and Board of Aldermen:

Mr. McDanel is petitioning the Board of Mayor and Aldermen to release the City's right to build a public way in the location of the twenty foot paper street. Had this street been dedicated after 1913 rather than in 1910, this action would not have been needed as the dedication would have expired after 20 years. This action will have no effect on any private rights held by others.

Currently, there is not a public street in this location and we have no plans to construct a public street, therefore I believe approval of this request would be in order.

Kevin Sheppard, P.E. Director of Public Works
